Date: February 18, 2026

Arista Networks announces the End-of-Sale and End-of-Life for DCA-DM-C450 DMF Controller appliance with affected product part number listed below in Table 1.

While Arista typically provides a 6-month advance notice for End-of-Sale milestones, this specific End of Sale is effective immediately. This accelerated timeline is the result of an abrupt EOL notification from our OEM vendor, driven by severe component shortages that prevent us from fulfilling any further hardware demand.

Please be assured that this only impacts new sales. Customers with active support contracts will continue to receive support from Arista TAC (Technical Assistance Center) till their respective End-of-Life dates as listed in Table 2, the End-of-Life Milestones.

Affected Product	Description	Replacement Products	Description
DCA-DM-C450	DMF Controller Version ‘C450’’	DCA-DM-C660	DMF Controller Version ‘C660’
