June 1, 2026

Arista Networks announces the upcoming, accelerated end of sale for DCA-300-CV.

The product part numbers covered by this announcement are listed below in Table 1. The last day to order the affected product is August 01, 2026.

Customers with active support contracts will continue to receive support from Arista TAC (Technical Assistance Center) as per the dates listed in Table 2, the End-of-Life Milestones.

Important Notice Regarding Inventory and Global Constraints

Due to global supply chain constraints and OEM component EoL, the availability of the DCA-300-CV is strictly limited. Orders will be fulfilled on a first-come, first-served basis. Arista cannot guarantee fulfillment for orders once inventory is exhausted.

Please note: Since inventory levels may be depleted before the official End of Sale date, we strongly recommend that customers submit their orders immediately or begin transitioning to the alternative solutions provided below.

Migration Options

Customers are encouraged to migrate to newer models. The newer models support all existing features and o?er enhanced functionality.

Affected Product	Description	Replacement Products	Description
DCA-300-CV	CloudVision Physical Appliance, Model 300. Standard Compute Resource. 10G. Includes server software. No device licenses.	DCA-400-CV (contact your Arista sales representative for availability)	CloudVision Physical Appliance, Model 400. Standard Compute Resource. 10G. Includes server software. No device licenses.
