

### **End of Support for EOS 4.11**

#### **Date**

April 18, 2015

#### **Overview**

The Arista EOS Life Cycle policy defines a 30 month lifecycle for each major release train. The EOS 4.11 software train will reach the 30 month timeline on June 18, 2015. At that time, EOS 4.11 will be considered End of Support with no further official software support on this version from Arista. This notice is intended to serve as a reminder of this upcoming event. Customers running EOS 4.11 should work with their Arista sales team to discuss possible upgrade options. In addition, a general EOS upgrade recommendation can be found at:
