Arista Networks announces the upcoming end of sale for the 7500E Series System Bundles containing the 2700W DC Power Supplies. The bundles covered by this announcement are listed below in Table 1. The last day to order the affected products is July 19th 2018.

Customers with active support contracts for 7500E Series systems with the 2700W DC power supplies installed will continue to receive support from Arista TAC (Technical Assistance Center) as long as the 7500E Series systems remain covered under a support contract.

Migration Options

Customers are encouraged to consider migrating to 7500E Series Bundles with the 3kW DC power supplies, which deliver higher output power and are more efficient. The 3kW DC power supplies have been available since 2015 and are offered on both the 7320X and 7500R Series.
