

Arista Networks announces the end of sale for one of its switches. The product part numbers covered by this announcement are listed below in Table 1. The last day to order the affected products is July 30th 2014. Customers with active support contracts will continue to receive support from Arista TAC (Technical Assistance Center) as per the dates listed in Table 2, the End-of-Life Milestones.

End of Sale of DCS-7124SX switches

## **Migration Options**

Customers are encouraged to plan a migration to newer models that are equivalent or better. The newer models are more power e?cient, support all existing features and offer enhanced functionality. EOS version 4.13 provides support for the 7124SX through the end of support dates.
