

End of Software Support for Select 7130K Series Models

Date: March 10, 2020

Software Versions:

| Software | Metamako Part Code | Versions Impacted | Last Supported Software |
|----------------|--------------------|-------------------|-------------------------|
| DCS-7130-32K# | MM00752 | A2, A3, A4, A4A | MOS 0.26 |
| DCS-7130-32KA# | MM01525 | A2, A3, A4, A4A | MOS 0.26 |
| DCS-7130-32KC# | MM01524 | A2, A3, A4, A4A | MOS 0.26 |

Description:

This software support bulletin is to notify Arista Networks customers that MOS version 0.26 will be the last supported release for the specific versions of products listed above from the 7130 products for which end of sale has been announced. The products affected will continue to receive TAC support for existing MOS versions through the end of support.

Software releases up to and including MOS 0.26 are supported on the above products.

Description:

If you require further assistance, or if you have any further questions regarding this notice, please contact the Arista Networks Technical Assistance Center (TAC) by one of the following methods:
