Revision	Date	Changes
1.0	March 4th, 2024	Initial Notice

**Software Version:** CloudVision Portal 2022.2 release train

**Description:**

The Arista CloudVision Portal Life Cycle policy defines a 24 month lifecycle for each major release train. The CloudVision Portal 2022.2 software train will reach the 24 month timeline on September 2nd, 2024. At that time, all releases in the CloudVision Portal 2022.2 release train will be considered End of Support with no further official software support on this version from Arista. This notice is intended to serve as a reminder of this upcoming event. Customers running CloudVision Portal 2022.2 based releases should work with their Arista sales team to discuss possible upgrade options.
