ARISTA

Arista Networks announces the upcoming end of sale for the 40GbE switches in the 7050 Series. The product part numbers covered by this announcement are listed below in Table 1. The last day to order the affected products is December 22nd 2015. Customers with active support contracts will continue to receive support from Arista TAC (Technical Assistance Center) as per the dates listed in Table 2, the End-of-Life Milestones.

End of Sale of 7050Q

Migration Options

Customers are encouraged to plan a migration to newer models that are equivalent or better. The newer models are more power efficient, support all existing features and offer enhanced functionality.
