

Arista Networks announces the upcoming end of sale for the DCS-7280QRA-C36S and DCS-7280QRA-C36SM models of the 7280QR Series. Other members of the 7280QR Series are not affected by this end of sales notice.

The product and part number covered by this announcement are listed below in Table 1. The last day to order the affected products is September 3rd, 2021. Customers with active support contracts for 7280QRA-C36S and 7280QRA-C36SM will continue to receive support from Arista TAC (Technical Assistance Center) as long as the systems remain covered under a support contract and the dates listed in Table 2, the End-of-Life Milestones.

### Migration Options

Customers are encouraged to consider migrating to the DCS-7280CR3 series that provide equivalent or higher performance with improved features and scale and lower power, as shown below. The newer models support existing features and offer enhanced functionality. Additional products may also be suitable as a replacement and engagement with Arista sales is recommended to explore all options.
