December 13, 2021

Revision	Date	Changes
1.0	December 13, 2021	Initial release
1.1	April 1, 2025	Software milestone update

Arista Networks announces the upcoming end of sale for the DCS-7050QX-32S model of the 7050X Series. Other members of the 7050X Series are not affected by this end of sales notice.

The product and part number covered by this announcement are listed below in Table 1. The last day to order the a?ected products is December 13th, 2022.

Customers with active support contracts for 7050QX-32S will continue to receive support from Arista TAC (Technical Assistance Center) as long as the systems remain covered under a support contract and the dates listed in Table 2, the End-of-Life Milestones.

Migration Options

Customers are encouraged to consider migrating to the DCS-7050CX3-32S or 7050CX3M-32S that provide higher performance with improved features and scale and lower power, as shown below. The newer models support existing features and o?er enhanced functionality.
