Arista Networks announces the upcoming end of sale for the DCS-7280CR2A-30, part of the 7280R Series.

The products and part numbers covered by this announcement are listed below in Table 1. The last day to order the affected products is planned for 30 December 2022.

Customers with active support contracts for DCS-7280CR2A-30 Series products will continue to receive support from Arista TAC (Technical Assistance Center) as long as the systems remain covered under a support contract and the dates listed in Table 2, the End-of-Life Milestones.

Migration Options

Customers affected by the End of Sales are encouraged to plan a migration to models that provide equivalent functionality or higher performance. The Arista DCS-7280CR3-32P4 Series should be considered as alternatives depending on the nature of the networking requirements.
