November 5, 2025

Arista Networks announces the upcoming end of sale for the ETM Micro Edge Q6E and Q6EWL devices.

The product and part number covered by this announcement are listed below in Table 1. The last day to order the a?ected products is January 27th, 2026.

Customers with active support contracts for Q6E and Q6EWL devices will continue to receive support from Arista ETM support according to the dates listed in Table 2, the End-of-Life Milestones, as long as the systems remain covered under a support contract.

Migration Options

Customers affected by the End of Sales are encouraged to plan a migration to models that provide equivalent functionality or higher performance. The Arista VeloCloud 7x0 Series should be considered as alternatives depending on the nature of the networking requirements.

Affected Product	Description	Replacement Products
