Arista Networks announces the immediate end of sale for the DCA-AGNI-100 physical appliance. The product part numbers covered by this announcement are listed in Table 1. Customers with active support contracts will continue to receive support from Arista TAC (Technical Assistance Center) as per the dates listed in Table 2, the End-of-Life Milestones.

Important Notice Regarding Inventory and Global Constraints

Due to global supply chain constraints and OEM component End-of-Life (EoL), availability of the DCA-AGNI-100 is severely impacted, necessitating an immediate End of Sale.

Migration Options

Customers are strongly encouraged to migrate to newer hardware models. These newer models support all existing features and offer enhanced functionality.
