ARISTA

Arista Networks announces the upcoming end of sale for 802.11ac Wave 1 APs: OEM-AP-O90 and OEM-AP-O90E. The product part numbers covered by this announcement are listed below in Table 1. The last day to order the affected products is July 31, 2019 or until stocks last. Customers with active support contracts will continue to receive support from Arista TAC (Technical Assistance Center) as per the dates listed in Table 2, the End-of-Life Milestones.

Migration Options

Customers are encouraged to plan a migration to newer models that provide equivalent or higher performance. The newer models support all existing features and offer enhanced functionality.

Affected Product	Description	Replacement Products	Description
