

**Date:** June 4th, 2024

**Products Affected:**

**DCS-7260X Series**

- DCS-7260QX-64
- DCS-7260CX-64
- DCS-7060CX-32S-D (SSD Model only)

**DCS-7320X Series**

- DCS-7324X-FM
- DCS-7328X-FM
- DCS-7320X-32C

**Description:**

This is to notify Arista Networks customers that Arista EOS version 4.33 and later will not support products listed above from the DCS-7260X and DCS-7320X series.

EOS release trains up to and including EOS 4.32 releases will continue to be supported on the above products. The products affected will continue to receive TAC support and software bug fixes with the supported EOS versions through the end of support timelines as listed in the respective end of sale notices below.

Please refer to below links for the end of sale notice and migration paths for the above products.
