

### End of Software Support for EOS 4.15

**Date:** May 23, 2017

**Last Updated:** August 29, 2018

**Software Version:** EOS 4.15

#### Description:

The Arista EOS Life Cycle policy defines a 30 month lifecycle for each major release train. The EOS 4.15 software train reached the 30 month timeline on October 18th, 2017. The end of support date for this release train has been extended to December 31st, 2018 [updated on August 29th, 2017]. At that time, EOS 4.15 will be considered End of Support with no further official software support on this version from Arista. This notice is intended to serve as a reminder of this upcoming event. Customers running EOS 4.15 should work with their Arista sales team to discuss possible upgrade options. In addition, a general EOS upgrade recommendation can be found at: [Software Downloads page](#).

For more information about Arista's EOS/EOL policies and/or to obtain an explanation of terms used in this announcement, please refer to the Arista Product Life Cycle Policy available in the Customer Support section of Arista website: <https://www.arista.com/en/support/product-documentation/eos-life-cycle-policy>.
