

Arista Networks announces the upcoming end of sale for the DCS-7050SX-72Q models of the 7050X Series. Other members of the 7050X Series are not affected by this end of sales notice.

The product and part number covered by this announcement are listed below in Table 1. The last day to order the affected products is March 28th, 2021.

Customers with active support contracts for 7050SX-72Q will continue to receive support from Arista TAC (Technical Assistance Center) as long as the systems remain covered under a support contract and the dates listed in Table 2, the End-of-Life Milestones.

Migration Options

Customers are encouraged to consider migrating to the DCS-7050SX3-48C8 or 7050SX2-72Q that provide equivalent or higher performance with improved features and scale and lower power, as shown below. The newer models support existing features and offer enhanced functionality.
