

Arista Networks announces the upcoming end of sale of the 7130 Series Protect Firewall 48.

The product part numbers covered by this announcement are listed below in Table 1. The last day to order the a?ected products is March 28th, 2021. Customers with active support contracts will continue to receive support from Arista TAC (Technical Assistance Center) as per the dates listed in Table 2, the End-of-Life Milestones.

The ongoing product lifecycle of the 7130 Series is not affected and will continue to be supported until further end of sales notices. Ongoing support for the firewall application that run on the 7130 Series Protect Firewall is also not affected by this End of Sales notice.

## **Migration Options**

Customers are encouraged to migrate to the 7130L Series models for the Protect Firewall application and other applications.

| Affected Product | Description                                                                  | Replacement<br>Products | Description                                                                                              |
