

December 30, 2020

Revision	Date	Changes
1.0	December 30, 2020	Initial release
1.1	April 1, 2025	Software milestone update

Arista Networks announces the end of sale for a set of line cards in the 7500R Series. The product part numbers covered by this announcement are listed below in Table 1. The last day to order the affected products is July 30th, 2021. Customers with active support contracts will continue to receive support from Arista TAC (Technical Assistance Center) as per the dates listed in Table 2, the End-of-Life Milestones.

### Migration Options

Customers are encouraged to plan a migration to the 7500R3 Series line cards with 400G optics and 400G ZR / 400G ZR+ pluggable optics. The 7500R3 Series 400G modules provide substantially greater performance with enhanced functionality. The 400G ZR and 400G ZR+ support Coherent 400G services

Affected Product	Description	Replacement Products	Description
DCS-7500R-8CFPX-LC DCS-7500R-8CFPX-LC#	7500R Series 8 port 200GbE Coherent DWDM linecard	7500R3 400G linecards	Next generation R3 Series 400G linecards and 400GZR optics

Table 1: Affected Product and Part numbers

Alternative products with enhanced functionality and increased scale are also available. Customers are requested to contact Arista sales for additional information on these alternatives.
