Arista Networks announces the end of sale for the DCS-7316X switch, fabric modules and associated system bundles. The product part numbers covered by this announcement are listed below in Table 1. The last day to order the affected products is December 30, 2016. Customers with active support contracts will continue to receive support from Arista TAC (Technical Assistance Center) as per the dates listed in Table 3, the End-of-Life Milestones.

End of Sale of the 7316 Series

Migration Options

Customers are encouraged to plan a migration to systems that provide the appropriate level of performance, interface density, flexibility and high availability. The options provided include the Arista 7500R Series and the Arista 7300X Series. Additional options for migration may be possible and consultation with an Arista Sales team is recommended.
