Arista Networks announces the upcoming end of sale for the Arista 7300X Series components. The products and part numbers covered by this announcement are listed below in Table 1. The last day to order the a?ected products is planned for April 1st, 2023.

Customers with active support contracts for 7300X products will continue to receive support from Arista TAC (Technical Assistance Center) as long as the systems remain covered under a support contract and the dates listed in Table 2, the End-of-Life Milestones.

## Migration Options

Customers affected by the End of Sales are encouraged to plan a migration to the newer Arista 7300X3 models that provide equivalent functionality or higher performance. The Arista 7300X3 Series should be considered as alternatives depending on the nature of the networking requirements.
