

Date: April 20th, 2023

Arista Networks announces the upcoming end of sale for the DCA-250-CV Series.

The products and part numbers covered by this announcement are listed below in Table 1. The last day to order the affected products is planned for 20 October 2023.

Customers with active support contracts for DCA-250-CV Series products will continue to receive support from Arista TAC (Technical Assistance Center) according to the dates listed in Table 2, the End-of-Life Milestones, as long as the systems remain covered under a support contract.

Migration Options

Customers affected by the End of Sales are encouraged to plan a migration to models that provide equivalent functionality or higher performance. The Arista DCA-300-CV, DCA-350E-CV Series should be considered as alternatives depending on the nature of the networking requirements.

| Affected Product | Sub SKUs | Description | Replacement Products |
|------------------|----------|--|-------------------------|
| DCA-250-CV | N/A | CloudVision Physical Appliance, Model 250. Standard Compute Resource. 10G. Includes server software. No device licenses. | DCA-300-CV, DCA-350E-CV |

Table 1: Affected Products and Part Numbers

Alternative products with enhanced functionality and increased scale are also available. Customers are requested to contact Arista sales for additional information on these alternatives.
