Date: December 20th, 2023

Arista Networks announces the upcoming end of sale for the 7500R and 7500R2 Series Modules and Bundles.

The products and part numbers covered by this announcement are listed below in Table 1. The last day to order the a?ected products is planned for 20 June 2024.

Customers with active support contracts for DCS-7500R and DCS-7500R2 Series products will continue to receive support from Arista TAC (Technical Assistance Center) according to the dates listed in Table 2, the End-of-Life Milestones, as long as the systems remain covered under a support contract.

Migration Options

Customers affected by the End of Sales are encouraged to plan a migration to models that provide equivalent functionality or higher performance. The Arista DCS-7500R3 and DCS-7800R3 Series should be considered as alternatives depending on the nature of the networking requirements.
