Date: April 19th, 2024

Arista Networks announces the upcoming end of sale for the DCS-7170-32CD Series.

The products and part numbers covered by this announcement are listed below in Table 1. The last day to order the a?ected products is planned for 20 October 2024.

Customers with active support contracts for the products listed below will continue to receive support from Arista TAC (Technical Assistance Center) according to the dates listed in Table 2, the End-of-Life Milestones, as long as the systems remain covered under a support contract.

Migration Options

Customers affected by the End of Sales are encouraged to plan a migration to models that provide equivalent functionality or higher performance. The Arista DCS-7170-32C Series should be considered as alternatives depending on the nature of the networking requirements.

Affected Product	Sub SKUs	Description	Replacement Products
DCS-7170-32CD	-F, -R, #	Arista 7170, Programmable 32 x 100GbE QSFP switch	DCS-7170-32C

Table 1: Affected Products and Part Numbers

Alternative products with enhanced functionality and increased scale are also available. Customers are requested to contact Arista sales for additional information on these alternatives.
