

July 1, 2026

Arista Networks announces the upcoming end of sale for the DCS-7060SX2-48YC6 Series.

The products and part numbers covered by this announcement are listed below in Table 1. The last day to order the affected products is planned for 01 October 2026. This date is subject to product availability due to component supply constraints.

Customers with active support contracts for DCS-7060SX2-48YC6 Series products will continue to receive support from Arista TAC (Technical Assistance Center) according to the dates listed in Table 2, the End-of-Life Milestones, as long as the systems remain covered under a support contract.

## Migration Options

Customers affected by the End of Sales are encouraged to plan a migration to models that provide equivalent functionality or higher performance. The Arista DCS-7050SX3-48YC8C Series should be considered as alternatives depending on the nature of the networking requirements.

| Affected Product  | Sub SKUs  | Description  | Replacement Products |
|-------------------|-----------|--|----------------------|
| DCS-7060SX2-48YC6 | -F, -R, # | Arista 7060X2, 48x25GbE SFP & 6x100GbE QSFP switch | DCS-7050SX3-48YC8C   |

Table 1: Affected Products and Part Numbers

Alternative products with enhanced functionality and increased scale are also available. Customers are requested to contact Arista sales for additional information on these alternatives.

| Milestone  | Date             |
|--|------------------|
| End-of-Sale Announcement   | 01 July 2026     |
| Last day to order the products (End-of-Sale) (Subject to availability) | 01 October 2026* |
