Arista Networks announces the upcoming end of sale for the DCS-7060CX5-56D8 model of the 7060X5 Series

The products and part numbers covered by this announcement are listed below in Table 1. The last day to order the affected products is planned for 03 February 2027. This date is subject to product availability due to component supply constraints.

Customers with active support contracts for DCS-7060CX5-56D8 Series products will continue to receive support from Arista TAC (Technical Assistance Center) according to the dates listed in Table 2, the End-of-Life Milestones, as long as the systems remain covered under a support contract.

Migration Options

Customers affected by the End of Sales are encouraged to plan a migration to models that provide equivalent functionality or higher performance. The Arista DCS-7260CX3-64 Series should be considered as alternatives depending on the nature of the networking requirements.
