

End of Software Support for EOS 4.16

Date: November 7, 2018

Last Updated: November 7, 2018

Software Version: EOS 4.16

Description:

The Arista EOS Life Cycle policy defines a 30 month lifecycle for each major release train. The EOS 4.16 software train will reach the 30 month timeline on November 24th, 2018. At that time, EOS 4.16 will be considered End of Support with no further official software support on this version from Arista. This notice is intended to serve as a reminder of this upcoming event. Customers running EOS 4.16 should work with their Arista sales team to discuss possible upgrade options. In addition, a general EOS upgrade recommendation can be found at: [Software Downloads page](#).

For more information about Arista's EOS/EOL policies and/or to obtain an explanation of terms used in this announcement, please refer to the Arista Product Life Cycle Policy available in the Customer Support section of Arista website: <https://www.arista.com/en/support/product-documentation/eos-life-cycle-policy>.
