

## Date: September 16th, 2024

Arista Networks announces the upcoming end of sale for the DCS-7130-96S of the 7130 series due to component shortages.

The products and part numbers covered by this announcement are listed below in Table 1. The last day to order the a?ected products is planned for 20 December 2024.

Due to limited supply, this date is subject to product availability and may be revised without notice.

Customers with active support contracts for DCS-7130-96S Series products will continue to receive support from Arista TAC (Technical Assistance Center) according to the dates listed in Table 2, the End-of-Life Milestones, as long as the systems remain covered under a support contract.

## **Migration Options**

Customers affected by the End of Sales are encouraged to plan a migration to models that provide equivalent functionality or higher performance. The Arista DCS-7130-48G3S Series should be considered as alternatives depending on the nature of the networking requirements.
