November 20th, 2024

Arista Networks announces the upcoming end of sale for model W-118 (SKU: AP-W118). The product part numbers covered by this announcement are listed below in Table 1. This is effective immediately as the stock of these models is exhausted. This announcement does not constitute the start of the ‘End of Life’ cycle for these models. Customers with active support contracts will continue to receive support from Arista TAC (Technical Assistance Center) until a separate announcement of ‘End of Life’ milestones.

Migration Options

Customers are encouraged to plan a migration to newer models that provide equivalent or higher performance. The newer models support all existing features and o?er enhanced functionality.

Affected Product	Description	Replacement Products	Description
AP-W118	W-118 2x2:2 dual radio 802.11ac Wave-2 access point with internal antennas	AP-W318	For non-discountable purchase from OEM. W-318 2x2:2 tri-band 802.11ax (Wi-Fi 6E) access point with internal antennas

Table 1: Affected Products and Part Numbers

Alternative products with enhanced functionality and increased scale are also available. Customers are requested to contact Arista sales for additional information on these alternatives.
