Arista Networks announces the upcoming end of sale for the CCS-720D model switches that have 4GB DRAM. Other members of the CCS-720D series are not affected by this End of Sale notice.

The product and part number covered by this announcement are listed below in Table 1. The last day to order the a?ected products is 20th March, 2026.

Customers with active support contracts for these models will continue to receive support from Arista TAC (Technical Assistance Center) as long as the systems remain covered under a support contract and the dates listed in Table 2, the End-of-Life Milestones.

Migration Options

Customers are encouraged to consider migrating to newer models that provide equivalent or higher performance, features and scale, as shown below. The newer models support existing features.
