

Arista Networks announces the upcoming end of sale for the 7020TR with AlgoMatch.

The products and part numbers covered by this announcement are listed below in Table 1. The last day to order the affected products is April 10th 2020.

Customers with active support contracts for 7020TR systems with AlgoMatch will continue to receive support from Arista TAC (Technical Assistance Center) as long as the 7020TRA Series systems remain covered under a support contract and are supported by EOS. End of sale for the 7020TR Series non-AlgoMatch systems are not being announced at this time.

Migration Options

Customers are encouraged to consider migrating new requirements to the 7020TR Series, which provide the equivalent functionality, or the 7280TR Series with higher performance and increased scale. The 7020TR and 7280TR Series have been available since 2017.
