Fixed Systems:

DCS-7280E Series: DCS-7280SE-64, DCS-7280SE-72, DCS-7280SE-68

Description:

This is to notify Arista Networks customers that Arista EOS version 4.24 and later will not support products listed above from the 7500E Series and the 7280E Series for which end of sale has been announced. The products affected will continue to receive TAC support and software bug fixes with existing EOS versions through end of support.

EOS releases up to and including EOS 4.23 releases are supported on the above products.

For More Information:
