Date: May 17, 2023

Products Affected:

DCS-7160 Series

- DCS-7160-32CQ, DCS-7160-48YC6, DCS-7160-48TC6

Description:

This is to notify Arista Networks customers that Arista EOS version 4.27 and later will not support products listed above from the DCS-7160 Series. The products affected will continue to receive TAC support and software bug fixes with the supported EOS versions through the end of support.

EOS release trains up to and including EOS 4.26 releases will continue to be supported on the above products for the lifecycle of the respective release trains.

Please refer to below links for the end of sale notice and migration paths for the above products.

End of Sale 7160
